Bridge to Brisbane

Stymie That! Bullying – No Way!

The word stymie means to stop or thwart. Statistics say that one in four Australian students is bullied at school. At Harristown we want bullying to stop and so do our students. As a bystander, students often feel helpless to do much about bullying. This website allows students to report bullying anonymously. This website can be a powerful tool in helping others to feel safe. Simply go online and complete the details. The information is then emailed directly to the school of the student being bullied. **Remember: don't play jokes or waste people's time; be responsible and truthful.** Check it out at www.stymie.com.au.

If you need to talk to someone you can call Kids Helpline on 1800 55 1800.
