We ask that you permit your son/daughter to study at home and attend school for tests only.

It is also important that you and your student understand some of the expectations throughout this exam period.

- It is essential that students come to **school in uniform**, including correct footwear and jumper.
- Students DO NOT attend Form.
- Students must arrive at exam venue at **least 15 minutes prior to start time** for roll marking.
- Please ensure that students have checked with their class teacher about any **special requirements** for your subject (eg, calculator, appropriate paper).
- If students are out in public before or after an exam session, it is important that students are moving **directly to and from home** or school or are out of uniform.

If you do not give permission for your student to stay at home, please contact the Office so we can make arrangements for your student.

Yours faithfully
