

Uniting our community with Uniforms

You can support our school community through our new system to help those who have any change of circumstances. This may even include you in the future.

Just the same as a pay-it-forward cup of coffee you can help a child have a new uniform, to help them grow in confidence, self esteem and to really feel a part of the school community.

Do you know a family in need? Has their circumstances changed? Are they struggling?

You may be in a position now to help those who are close by or afar. You can even nominate them for the help they need.

You can pay for a child's polo top, shorts, skirt, senior tie or share in the cost with others in the community, by adding to the community chest fund - harristownshs.eq.edu.au/Ourcommunity/PandC/pages/PandC.aspx.

Remember, caring for the kids in our community starts with you.

Gift to Harristown State High School's Community Chest
