Queensland State School Reporting

2012 School Annual Report

Introduction

This School Annual Report provides an overview of key aspects of the 2013 school year. This Annual Report is one significant way in which our school outlines its achievements and areas of development for this report period. Further information is available on our website www.harristownshs.eq.edu.au or upon request from the school.

School progress towards its goals in 2013

Opportunities for student success in learning were enhanced greatly in 2013 through the further implementation of our school's **Dimensions of Learning** (DoL) teaching and learning framework, and also the introduction of Archer and Hughes' **Explicit Instruction** framework for effective and efficient teaching, to augment existing practices.

Our school's vision – *Engage, Achieve, Excel* – continued to underpin all school actions following its launch in late 2012.

The pride which our students and staff have for our school continued to be reflected in our chosen and embedded school's values – **Participation, Relationships, Integrity, Diligence and Enthusiasm**.

Year 12 OP results, in terms of the OP achievements of *all* students, not just those students in the highest OP bands, and levels of attainment in Authority subjects continued to be among the best in the school's history.

Future outlook

Our school's key strategic directions and priorities for school improvement for 2014 are stated in our Annual Implementation Plan 2014, which identifies the following four key priorities:

- Teaching and Learning
- Engagement
- Literacies
- Student and Staff Wellbeing

Additional key priorities, many of which are subsumed in the above four priorities, relate to improved *student* performance in -

- Reading comprehension
- Numeracy
- Spelling
- Grammar and punctuation
- Writing
- Levels of attainment, A - E
- NAPLAN – All domains
- Attendance
- Wellbeing
- Retention across all junctures
- QCE attainment
- VET completion/attainment
- Year 12 or equivalent completion
- Post-Year 12 destinations

and improved *school* performance in –

- Closing the Gap between the attendance and outcomes of Indigenous and non-Indigenous students
- Enrolment growth
- School Opinion Survey – specific items

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2013: Year 8 - Year 12

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2011	1473	724	749	87%
2012	1418	683	735	91%
2013	1470	716	754	90%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

Harristown State High School is a large and complex provincial school, catering for a diversity of student needs through a breadth of curriculum offerings and programs.

Day 8 2014 enrolment was 1530 students in Years 8 to 12, an increase of 76 students from the 2013 Day 8 enrolment.

Multiculturalism is valued, promoted and practised – 13% of students are Indigenous; 10% of students are EAL/D or International, originating from 32 different countries.

Harristown State High School students are immensely proud of their school and of their unique identity as 'Harristown Hawks'.

A focus on academic, cultural, vocational and sporting achievements is pursued through the provision of an extensive array of opportunities, extensive facilities, innovative programs, a supportive community and a professional and very committed staff.

Our school has a Special Education Program delivered through a Special Education Unit, with students also undertaking an educational off-campus program at our Annex situated on the grounds of the Toowoomba West Special School.

Our school draws students from over twenty primary schools throughout Toowoomba and neighbouring rural communities.

Very strong and effective partnerships exist between our school and the schools within our immediate Southern Vale Cluster, with many transition programs evident enabling students in Years 5, 6 and 7 to experience secondary school well in advance of enrolment.

Average Class sizes

Phase	Average Class Size		
	2011	2012	2013
Prep – Year 3			
Year 4 – Year 7 Primary			
Year 7 Secondary – Year 10	23	23	24
Year 11 – Year 12	18	17	18

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2011	2012	2013
Short Suspensions - 1 to 5 days	210	218	187
Long Suspensions - 6 to 20 days	39	23	29
Exclusions	9	13	17
Cancellations of Enrolment	10	10	22

Curriculum offerings

Our distinctive curriculum offerings

Harristown State High School continues to be innovative in its implementation of study programs in both Junior and Senior Secondary. The curriculum allows for students to progress through an exciting and motivating wide range of subject choices.

The senior secondary curriculum provides an outstanding and comprehensive range of choices. Our school has a partnership with USQ to provide direct entry to tertiary studies with Principal endorsement. The progression of our Academic Academy has established valued partnerships with additional tertiary providers.

An effective Special Education Unit operates on site, as well as an off-site Annex, to provide appropriate individualized programs for students identified for support due to a learning disability delivered within an inclusive environment.

A distinctive aspect of the curriculum delivery in both Junior and Senior Secondary has been the development of a range of 'Specialisation Programs' across the curriculum. There are four (4) main areas or 'academies' where distinctive specialization occurs. This includes academia, industrial skills, sport and the arts.

Extra curricula activities

Our school actively supports and encourages students' participation in a wide range of co-curricular activities. In previous years, the school's performances in the arts resulted in significant outcomes in two of Queensland's premier competitions – the statewide Rock Eisteddfod Challenge and Fanfare.

Continuing successes in the field of dance and music performance have not only value added to the offerings to our students, but resulted in a range of invitations to perform at regional and state functions. Our extensive sports program supported by specialist staff and facilities resulted in many sporting successes in such sports as basketball, football (soccer), rugby league, softball, and volleyball.

In addition to the school's formal curriculum, students have access to a vast array of extra-curricular activities such as:

- . Debating / Public Speaking
- . Arts Program to include visual, performing, dance and concert / stage bands, vocal groups
- . Extensive sports with special programs in volleyball, soccer (QAS endorsed), basketball, and rugby league
- . Academic competitions
- . Community Service clubs / activities, Leadership programs, Student Representative Council, Tours, camps and excursions.

How Information and Communication Technologies are used to assist learning

Our school's technology facilities have developed to a very high level with wireless networks operating across all buildings on campus. A range of fully equipped computer laboratories and pods within various faculties, together with the provision of 3G-enabled laptop devices to students in Years 9 & 10, has enabled the school to achieve a 1:1 student : computer ratio in Years 9 – 12 and move towards that ratio for Years 8 – 12.

All desktop and laptop/notebook computers have Internet access and utilize up to date software to integrate new and innovative approaches to learning and teaching across the curriculum. Interactive whiteboards and data projectors also add to learning and teaching possibilities.

Social climate

Parent and student responses in recent School Opinion Surveys confirm Harristown State High School has a very positive school and learning climate. Our school values the achievement and emotional health and wellbeing of all students and a range of programs and support personnel are provided to cater for the needs of the broader cohort such as:

- * Lunchtime activities and competitions; extra-curricular activities,
- * Camps / Tours/ Excursions,
- * Biennial Drama Production,
- * Stage / Concert Bands, Vocal Groups,
- * Student Representative Council,
- * Shine, Strength and Rock and Water programs.

Our school's extensive 'Pastoral Care' program, aptly named "Healthy Hawks", is refined annually to ensure relevance, given changing student needs. This program is supported through the services provided by our Chaplain, School Based Youth Health Nurse, School Based Police Liaison Officer, Community Education Counsellor, Guidance Officer and Behaviour Management Staff.

Our school at a glance

Parent, student and staff satisfaction with the school

The Year 2013 saw significant increase in *student* satisfaction with our school and very high levels of parent/carer and staff satisfaction.

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

A range of forums and strategies are utilized to encourage active parent participation in the education of their children such as:

- * Parents' and Citizens' Association monthly meetings,
- * Specific parent forums with focus topics,
- * Hawk Aboriginal and Torres Strait Islander Advisory Table meetings,
- * Individualised meetings,
- * Regular newsletter, local media publications, website publications, and Facebook links,
- * Personalized correspondence,
- * Involvement in a volunteer capacity such as canteen, supporting students in extra-curricular activities,
- * Attendance at school functions and activities such as awards ceremonies and sporting occasions,
- * Annual external survey of parents to determine satisfaction levels.

Reducing the school's environmental footprint

Electricity and water usage is constantly monitored and analysed by comparison of all usages with the period 12 months prior, and further information is sought if any trends or differences are significant enough to be a concern.

The occupancy of new building projects have placed increased demands on utilities. All staff seek to be vigilant in maintaining effective practices relating to lighting and heating/cooling to minimise our environmental footprint.

Lack of rainfall in any reportable 12 month period can significantly increase water consumption in order to provide safe sporting fields for our students and many community users.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2010-2011	729,610	2,612
2011-2012	774,177	2,552
2012-2013	734,377	10,451

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

Our staff profile

Staff composition, including Indigenous staff

2013 Workforce Composition	Teaching Staff *	Non-teaching Staff	Indigenous Staff
Headcounts	113	52	<5
Full-time equivalents	104	38	<5

Qualifications of all teachers

Advanced Diploma	0
Bachelor Degree	87
Graduate Diploma etc.	0
Masters	5
Doctorate	0
Total	113

* Teaching Staff includes School Leaders

** Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2013 were \$59,120. The major professional development initiatives were as follows:

- * Dimensions of Learning (DoL); Explicit Instruction (EI),
- * OneSchool and OneSchool Dashboard,
- * The Australian Curriculum and EQ Curriculum into the Classroom (C2C) Project,
- * DETE Mandatory Training – Student Protection, Code of Conduct, Curriculum Activity Risk Assessment (CARA), Anaphylaxis,
- * Literacy and reading comprehension training; NAPLAN,
- * QSA Panellist training,
- * Embedding Aboriginal and Torres Strait Islander Perspectives in Schools (EATSIPS),
- * Inclusivity.

The proportion of the teaching staff involved in professional development activities during 2013 was 100%.

Our staff profile

Average staff attendance

	2011	2012	2013
Staff attendance for permanent and temporary staff and school leaders.	96%	95%	97%

Proportion of staff retained from the previous school year

From the end of the previous school year, 93% of staff was retained by the school for the entire 2013 school year.

Student Attendance Distribution

The proportions of students by attendance range.

* The method for calculating attendance changed in 2013 – care should be taken when comparing data from 2013 to that of previous years.

Performance of our students

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Our school's Executive Leadership Team monitors student absence closely at specific junctures within each term and compares the current data with the required target.

Procedures are in place for when a student's attendance requirements of either the compulsory *schooling* or compulsory *participation* phase are not met. These relate to either whole-day absence, part-day absence, or absences for longer periods.

Roll marking occurs in form classes at the beginning of every day and also by every teacher for every lesson of every day, using specific software compatible with Education Queensland's OneSchool system.

Parents/carers of students with absences for which there is no explanation receive a text message on that day to then respond to. An administrative officer was employed for further telephone contact with parents/carers. Absences with parents are also followed up in writing. Letters addressed to parents and carers detail absences and provide opportunity for parent/carer response to this attendance data to provide explanations for absences.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Performance of our students

Achievement – Closing the Gap

The Department of Education, Training and Employment's 'Closing the Gap' Education Strategy relates to closing the gap between the performance of Indigenous and Non-Indigenous students, specifically in relation to attendance, attainment and retention.

From 2012 to 2013, the Year 10 to Year 12 apparent retention gap decreased from 32.6% to 22.4%. With respect to attainment, the gap in Year 9 NAPLAN Mean Scale Score decreased from 32 to 28 for Reading and decreased from 60 to 42 for Writing.

***NEXT STEP* 2014**

YEAR 12 DESTINATIONS

Harristown State High School

Introduction

This page presents a summary of results of the annual *Next Step* survey for Harristown State High School. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2013, whether they attended a government, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician's Office conducted the survey between March and June 2014, approximately six months after the young people left school. Responses were collected online and via computer-assisted telephone interviewing.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2014 at www.education.qld.gov.au/nextstep.

Response rate for Harristown State High School

Table 1 below reports the response rate for Harristown State High School. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended Harristown State High School in 2013.

It has not been possible to ascertain how representative these responses are of all Year 12 completers from this school.

Table 1: Survey response rate, Harristown State High School 2014

Number of respondents	Number of students who completed Year 12	Response rate (%)
185	217	85.3

Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at www.education.qld.gov.au/nextstep.

Summary of findings

In 2014, 46.5 per cent of young people who completed Year 12 at Harristown State High School in 2013 continued in some recognised form of education and training in the year after they left school.

The most common study destination was Bachelor Degree (25.4 per cent). The combined VET study destinations accounted for 21.1 per cent of respondents, including 9.2 per cent in campus-based VET programs, with 3.2 per cent of Year 12 completers entering programs at Certificate IV level or higher.

11.9 per cent commenced employment-based training, either as an apprentice (9.2 per cent) or trainee (2.7 per cent).

In addition to the above study destinations, a further 2.7 per cent of respondents from this school deferred a tertiary offer in 2014 (deferrers are shown in Figure 1 in their current destination).

53.5 per cent did not enter post-school education or training, and were either employed (36.2 per cent), seeking work (16.2 per cent) or not in the labour force, education or training (1.1 per cent).

Figure 1: Main destination of Year 12 completers, Harristown State High School 2014

Performance of our students

Early leavers information

This information relates to the destinations of young people who left our school in Years 10, 11 and prior to completing Year 12.

The monitoring and 'tracking' of early leavers, those who exit their schooling prior to the completion of Year 12, is undertaken by our Deputy Principals and Principal.

The majority of early leavers remain in Queensland and enrol at other schools due to their family's relocation. Of those who do not continue with their schooling, many enter the workforce in either a full-time or part-time capacity in local industries. The specific place of work can be an extension of either a school-based traineeship/apprenticeship or work experience placement commenced while the student was enrolled at our school.
