Using Library Online – catalogue, databases and other tools

1. Navigate to Library Online (from QuickLinks, Staff Portal, Student Start menu, website or iPad app)

2. Explore the different tabs to find tools:
   a. Search tab – links to databases (Ancient and Medieval History; Modern World History; Weblinks) and other search tips and tools
   b. Reference tab – bibliography generator and how to reference using Word tip sheet
   c. Research tools tab – links to useful edStudios and the Studyvibe and Ergo websites
   d. Learning pathways tab – links to edStudios and learning pathways that students can access for specific assignments
