

STUDENT CENTRAL

(INTRANET FOR SCHOOLS)

Student Central is the Intranet for Schools (SharePoint) site and the student home page for our school. From here, students can access notices, resources and links including email and other Microsoft Office 365 programs.

Students are able to access Student Central from home by using the link on the website. They will need to login using their school username and password.

Harristown State High School

At Harristown you will find an abundance of opportunity, strengthened even further by our rich community ties. Not only do we excel in academics, but we also tear up the sporting field, shine on the stage, build and design with enthusiasm and creativity, reach out to the world in search of experience and open our arms to share and celebrate cultural diversity. No matter what your passion, we have a program here at Harristown that will fulfil your needs and allow you to perhaps exceed your own expectations.

We welcome you whole-heartedly to join with us, become a Harristown Hawk and take part in what could be one of the most dynamic and memorable experiences of your lifetime.

Information on how to access email, Student Central and Microsoft programs including cloud storage and library resources.

Visit Hawks Library Online for your reading and research needs! Forgot password? Use your school username and email to reset.

Student Resources
Essential links for students well-being and study hints.

Q: How do I get to Student Central?

A: Find the link on the school website

School and home are different

At school, you are logged into Office 365 automatically. Click Yes to stay signed in.

From any other location, you need to log in again and agree to the conditions of use.

Your school username is unique to you.
e.g. Harry Hawk's username is **hhawk1**

It is the first part of your email address.
e.g. Harry Hawk's email would be **hhawk1@eq.edu.au**

If you can't remember your password,
please ask your teacher or the office
staff to reset it.
