My **READING CHALLENGE**

RECORD YOUR CHALLENGE BOOKS

This is a space to help you express your love of books! Over time, you may notice a trend in the kinds of books you like best. Share your favorites with a librarian who can help you find more books you'll enjoy.

Track, record, and review the books you read or listen to.

If you run out of space, just grab more pages from the library to add to your reading challenge.

Idea to Achieve

Break your challenge down. Each month vary the types of books you read to achieve the challenge goal.

- 1 picture book (PB)
- 2 graphic novels/manga (GL)
- 1 fiction (F), non-fiction (NF), or audio book
